

SEAT ADAPTOR KIT #88251 INSTALLATION INSTRUCTIONS

- ## Parts List
- (1) 3/8" lock washer
 - (1) 3/8" x 3/4" bolt
 - (2) 10mm x 1.25 x 35mm bolts
 - (2) 10mm flat washer
 - (2) 10mm lock washer

Instructions

- 1.** Locate the mounting post (Fig.1) that came with your BrakeMaster. If needed, order part number 450596. Now, secure the post to the center of the seat adaptor using the included 3/8" x 3/4" bolt and 3/8" lock washer. If the hole is countersunk, use the Allen head bolt and lock washer included with this kit.
- 2.** Remove the 14mm factory bolts from the seat tracks. Note: due to manufacturing variances, the seat track bolts may have a Torx head. If this is the case, use a 3/4" socket to remove them.
- 3.** Place the seat adaptor over the seat tracks and bolt into place with the supplied 10mm x 1.25 x 35mm bolts, lock washers and flat washers.

WARNING

Failure to follow these instructions can result in property damage, personal injury or even death.
