# LEADING THE WAY IN EVERY SEGMENT

**FUEL OFF-ROAD**
Fuel Off-Road has exploded into the most sought after truck wheel brand on the market today and we continue to add to our collection for 2018. Sticking to the saying "go big or go home," we are excited to unveil the monstrous 28" dually wheel and tire package - a worldwide first! We've also expanded our tire division with the all-new UTV Trail Gripper and Gripper R/T Tires. Whether stock, leveled, lifted or trail ready, Fuel Off-Road has the wheels, tires, and accessories you need.

**NICHE ROAD WHEELS**
Niche Road Wheels are designed and engineered for today's high-performance road cars. Niche designs are offered in both cast and forged constructions. Our cast styles feature an industry leading range of vehicle applications and finishes. Niche Road Wheels deliver the greatest selection of style, size, application, and finish options on the market today.

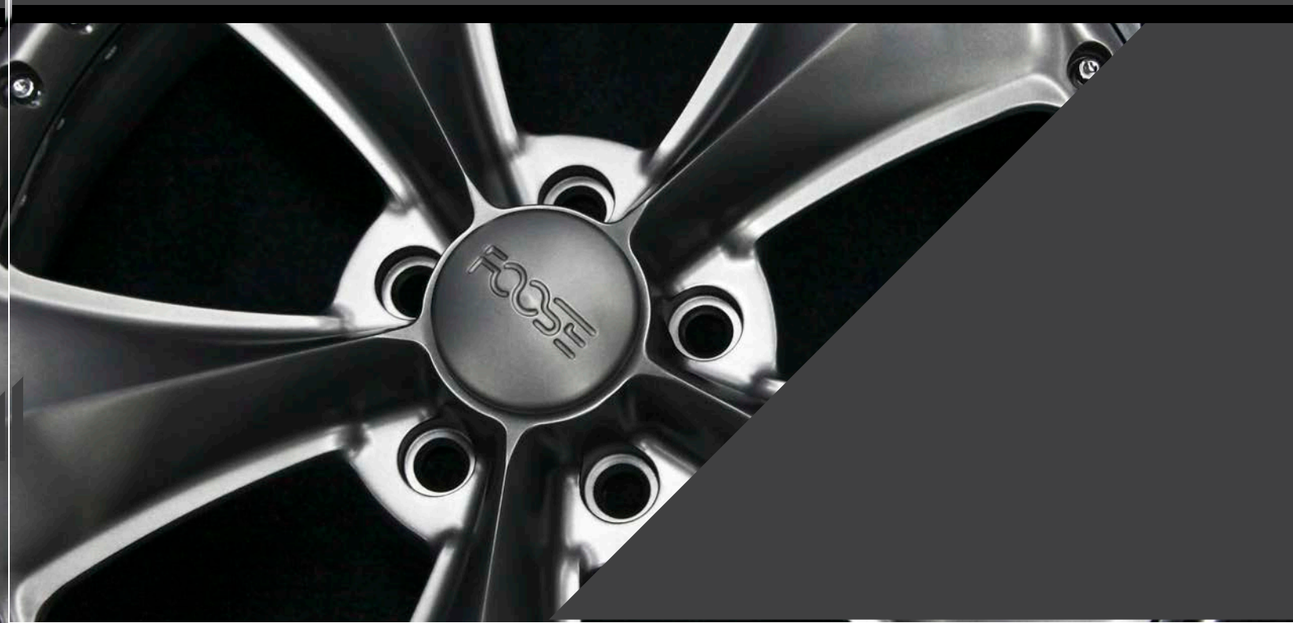

**ROTIFORM**
First established in 2009, Rotiform has grown to be the leading brand for aggressive fitments and avant garde designs. With a nod toward retro European styling blended with cutting edge profiles and new construction techniques, Rotiform wheels push the limits of modern car modification. Rotiform wheels are available in both cast and custom forged builds, featuring a vast variety of sizes and specialty finishes.

**DUB WHEELS**
For the past 20 years, DUB Wheels has been changing the way we think of the aftermarket wheel. Staying true to our history of pushing the limits of wheel size and vehicle fitment, DUB Forged wheels are now available up to 34". We've also expanded the luxury brushed finishes available on our 1 pc cast wheels. The new DUB Luxe features a brushed face with gloss black windows.

**U.S. MAG WHEELS**
U.S. MAGS is one of the original custom wheel brands in the U.S.A. With roots in open wheel racing, U.S. MAGS has evolved from the original Indy wheel to the complete line-up you see today. U.S. MAGS offers the most diverse designs, finishes and applications from classic and vintage restorations to modern tucked trucks. From past to present, U.S. Mags continues to innovate.

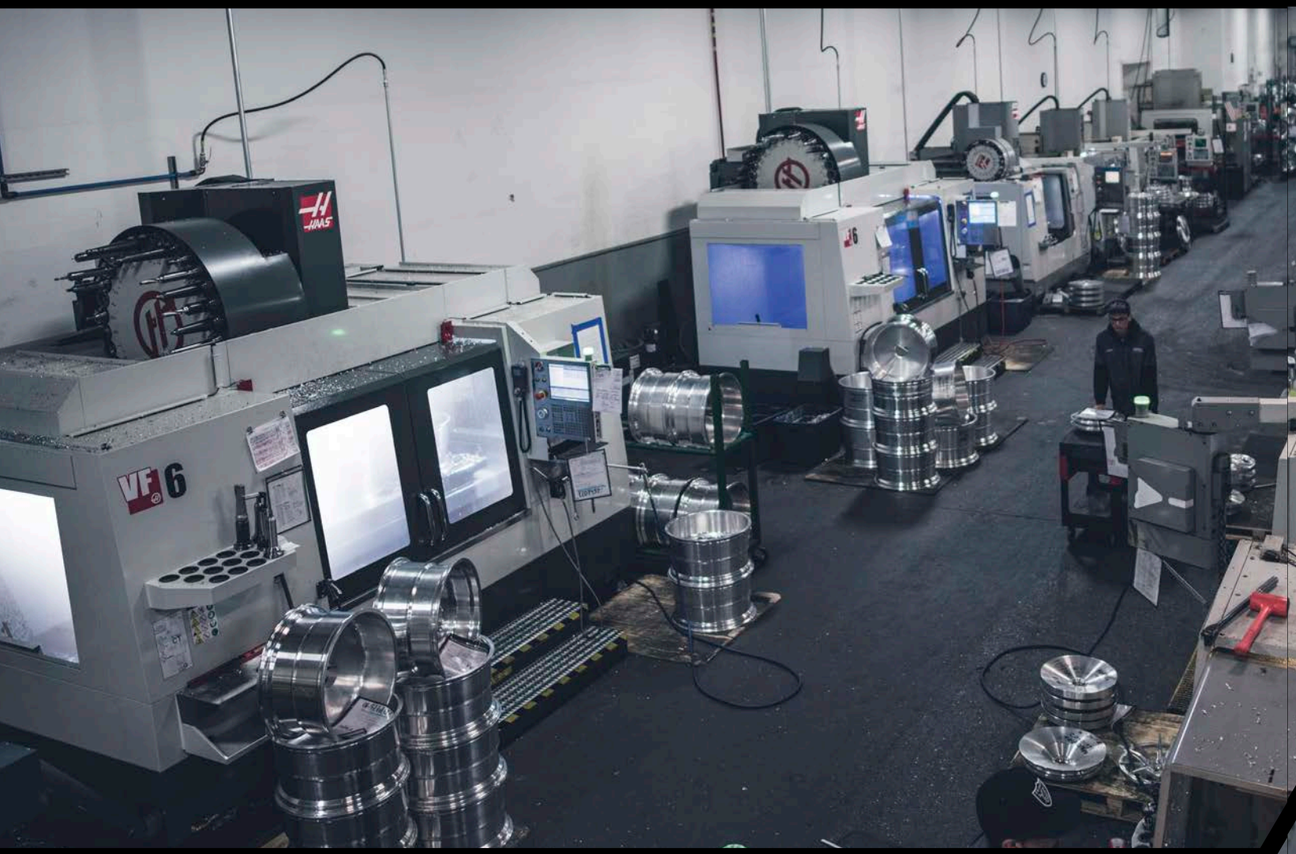

**FOOSE DESIGN WHEELS**
Foose Wheels are designed by world-renowned hot rod builder, Chip Foose. Chip's designs are available in both cast and custom billet construction. Foose designs are not only made for vintage cars or hot rods, but also modern muscle cars, trucks, and SUV's. Whether you drive a '69 Camaro, '57 Bel-Air, a slammed F-150 or a 2016 Mustang GT, Foose wheels has the styling and construction type to enhance your vehicle.

DESIGNED/ENGINEERED/CUT & FINISHED IN-HOUSE IN THE U.S.A.

# 36,000 SQFT OF WHEEL MAKING HEAVEN

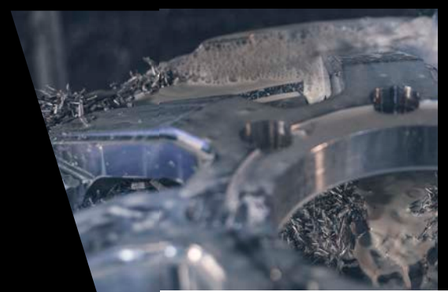

At MHT, we take our machining seriously. With over 25 CNC controlled machining centers running all day and all night, we have the equipment, the engineering know-how, and the workforce to handle any wheel you can dream up. From concept to cutting, we are proud to offer the widest variety of forging styles and the industry's shortest lead times for custom forged wheels.

We never sleep.

# FINISHED YOUR WAY.

In 2015, we invested heavily in the ability to offer complete, one-stop in-house finishing. We designed and constructed a state-of-the-art powdercoat and paint facility. Using cutting edge technology and programmable automation, we can offer custom finishes on any MHT-brand wheel and delivery times that will make you wonder if we don't just stock every color and finish under the sun.

# ANY COLOR OR FINISH YOU CAN DREAM UP.

# WE CAN DO.
