

Renegade Taillight Guard

Renegade Taillight Guard

1. Identify Left-Side Guard and Right-Side Guard using pages 3 and 4 as a guide.

2. Clean taillight. Allow to dry completely.

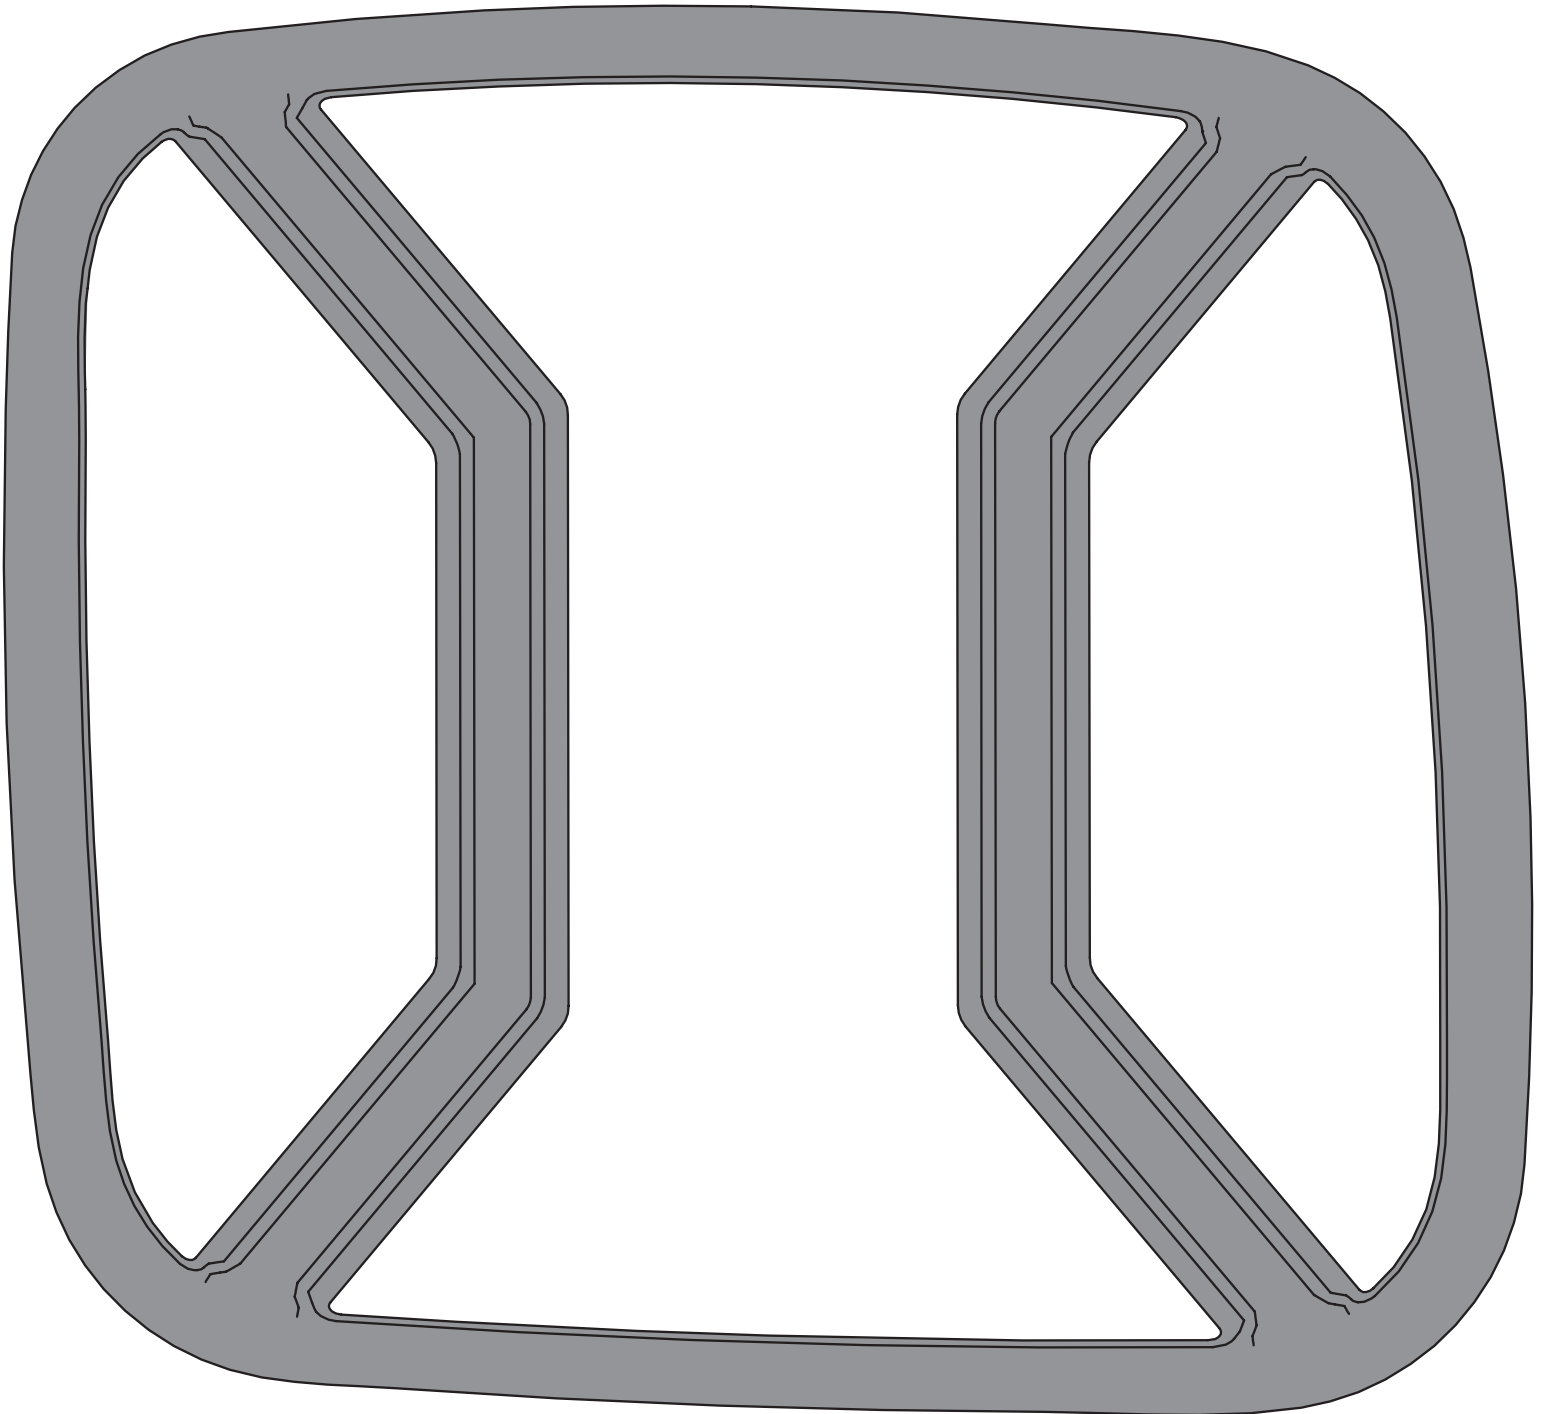

NOTICE Before attaching guard using adhesive promotor, open and close tailgate with guard in place to ensure proper clearancing of guard.

3. Apply adhesive promotor to outer edge of taillight housing.

4. Peel back tape on back of guard and attach guard to taillight.
