Introduction

Chapter 1: Drag Racing: A Sport of Universal Appeal

In the Beginning

How Far Can I Go?

The Basics

Types of Drag Racing

Chapter 2: How to Get Started in Drag Racing

Track Personnel and Job Descriptions

Basic Vehicle Prep (Safety and Performance)

Buy the Rulebook

First-Time Expectations

Chapter 3: How to Drive

Proper Warm-Up

Burnout Techniques

Staging and Launching

The Run

Shutting Down

Chapter 4: Safety Gear, Vehicle Prep and Smart Racing

Essential Safety Equipment

Brakes and Parachutes

Competition Driver's License

Performing a Proper Safety Check

Between Rounds

Troubleshooting

Necessary Tools

Chapter 5: All About Tires

Racing Slicks

Tire Selection, Pressure and Maintenance

Radial Versus Bias Ply

DOT-Approved Racing Tires

Chapter 6: Improving Performance

Common Performance Upgrades

Moderate Performance Upgrades

Power Adders

Improving Performance Affordably

To Use or Not Use Race Fuel

How to Improve Driving Performance

Suspension Tuning Tips

Weight Transfer

Chapter 7: Driving and Tuning Aids

Aftermarket Tachometer

Trans Brake

Line Lock

Two-Step and Three-Step Ignitions

Delay Box

Throttle Stops

Weather Stations

Infrared Thermometers

Air and Electric Shifters

Practice Trees

Prediction Software

Putting It All Together

Chapter 8: The Basics of Bracket Racing

The Current State of Bracket Racing

Bracket Racing Versus Other Forms of Drag Racing

Understanding Reaction Time

Dial-Ins and Breakouts

Why Should I Bracket Race?

Chapter 9: Advanced Bracket Racing Strategy

Posting Consistent Reaction Times

Making Your Car Consistent

Choosing the Right Dial-In Time

Starting Line Tactics

Driving the Finish Line

Chapter 10: The Psychology of Drag Racing

Sizing Up the Competition

Visualization for Racing

Avoiding Distractions

Honesty Is the Best Policy

Tricks of the Trade

Chapter 11: Racer Math

How to Determine True-Win Margin

Using Math to Help Predict Performance

Tracking Your Round-Win Average

Recording Your Runs

Useful Formulas

Appendix A: Glossary of Drag Racing Terms

Appendix B: Drag Racing Run Sheet

Appendix C: Drag Racing Data Sheet
