SEAT BELT ACCESSORIES

RACING HARNESES

Stop sliding around! These three-point racing style harness belts ensure comfort and support that hold you in your seat. Includes 2" shoulder and lap belts, bolt in plate chassis attachment with central push button release. Features aircraft quality components, designed to ensure comfort, support and safety.

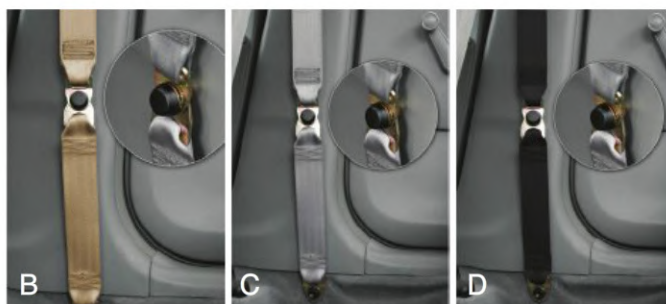

Style	SKU
A - 3 Point Black	10192

SEAT BELT EXTENSIONS

Extends your seat belt for easy access. Our universal design works with most seats and belts adding 12 inches to your seat belt. Perfect for taller seats.

B - Tan	10180
C - Grey	10186
D - Black	10179

SEAT BELT COVERS

Give those seat belts a stylish makeover! Our buckle covers and retractor covers make buckling up quick and easy. Our plastic buckle covers keep seat belts in position, in addition to hiding belt bolts and lower anchoring mounts. Black plastic cover can be painted to match your interior. Retractor covers help protect webbing, can be upholstered and reduce mildew.

SEAT BELT MOUNTING BRACKETS

Safety First! Seat belt anchor kits are ideal for reinforcing your mount for all seat belts. Belt anchors reduce the chance of the belt bolt tearing through the floor when the belt is under load. Rounded corners ensure that your belt will not tear from impact or normal use. Ideal for all applications. Hardware included. Backed by a Limited Lifetime Warranty.
