

## Trunk Rack Lock

### Trunk Rack Lock

#3050

- Versatile 8 ft. 10mm vinyl-coated braided stainless steel cable.
- Cable can be used on hitch racks, trunk racks, stationary posts, anywhere you need to secure your bicycle.
- Vinyl coating protects the finish on your car and bicycle.
- Included Lock loop allows for convenient locking of bikes to vehicles.

We warrant this product to the first consumer to be free from defect in material and workmanship for a period of two years from the date of purchase. [Please retain your sales slip for your records.] Any product or part thereof found to be defective within that period will be replaced without charge provided that: (1) the product was not misused; (2) no alterations or modifications were made; (3) its failure resulted from a defect in material or workmanship and not from normal wear expected in the use of the product; (4) the product or part thereof is delivered, freight prepaid to Saris Cycling Group. Manufacturer's only obligation shall be to replace such products or parts proved to be defective.
