SET-UP GUIDE

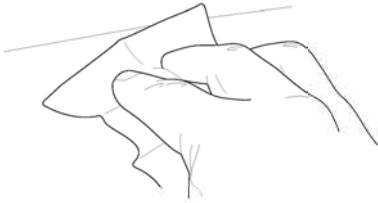

- 1** Select the small or large metal plate for your device.

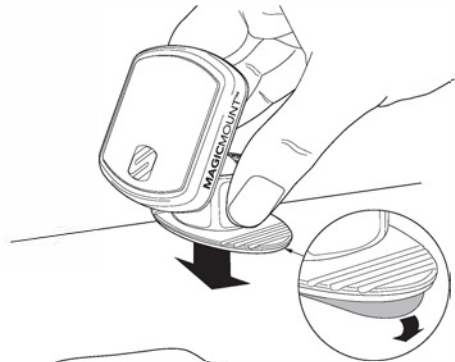

- 2** Select the best location for your device. Peel off the adhesive backing and attach the plate. Test with magnetic base if mounting the plate on the inside of your device's case.

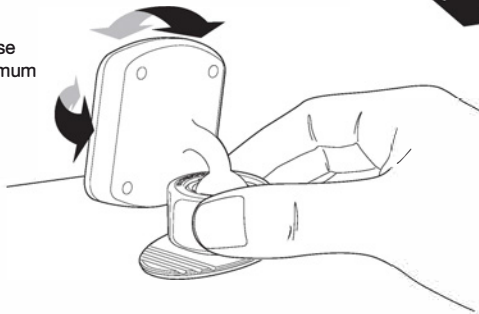

- 3** Clean the dash surface with supplied cleaning wipe.

- 4** Peel the adhesive backing from the bottom of the mounting base, and place in position. Apply firm pressure.

- 5** Loosen, then re-tighten the base to adjust for optimum viewing angle.
