

1 Identification

- · Product identifier
- · Trade name: 19533 Dark Amber Pearl
- Article number: 19533
- · Application of the substance / the mixture Coating
- Details of the supplier of the safety data sheet • Manufacturer/Supplier: SEM Products Inc.

2 Hazard(s) identification

| • | Classification | of the | substance | or | mixture | |
|---|----------------|--------|-----------|----|---------|--|
|---|----------------|--------|-----------|----|---------|--|

GHS02 GHS04 Flame, Gas cylinder

Flam. Aerosol 1 H222 Extremely flammable aerosol.

GHS04 Gas cylinder

Press. Gas H280 Contains gas under pressure; may explode if heated.

GHS08 Health hazard

| Label elements | |
|----------------|---|
| STOT SE 3 | H336 May cause drowsiness or dizziness. |
| Eye Irrit. 2A | H319 Causes serious eye irritation. |
| GHS0 | 7 |
| STOT RE 2 | H373 May cause damage to organs through prolonged or repeated exposure. |
| Repr. 2 | H361 Suspected of damaging fertility or the unborn child. |
| Carc. 2 | H351 Suspected of causing cancer. |

• GHS label elements The product is classified and labeled according to the Globally Harmonized System (GHS). (Contd. on page 2)

| Precautionary s | |
| P201 | Obtain special instructions before use. |
| P202 | Do not handle until all safety precautions have been read and understood. |
| P210 | Keep away from heat/sparks/open flames/hot surfaces No smoking. |
| P211 | Do not spray on an open flame or other ignition source. |
| P251 | Pressurized container: Do not pierce or burn, even after use. |
| P260 | Do not breathe dust/fume/gas/mist/vapors/spray. |
| P264 | Wash thoroughly after handling. |
| P271 | Use only outdoors or in a well-ventilated area. |
| P280 | Wear protective gloves/protective clothing/eye protection/face protection. |
| <i>P304+P340</i> | IF INHALED: Remove person to fresh air and keep comfortable for breathing. |
| P305+P351+P | 338 If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if pres |
| | and easy to do. Continue rinsing. |
| P308+P313 | <i>IF exposed or concerned: Get medical advice/attention.</i> |
| P312 | Call a poison center/doctor if you feel unwell. |
| P314 | Get medical advice/attention if you feel unwell. |
| <i>P337+P313</i> | If eye irritation persists: Get medical advice/attention. |
| P403+P233 | Store in a well-ventilated place. Keep container tightly closed. |
| P405 | Store locked up. |
| P410+P403 | Protect from sunlight. Store in a well-ventilated place. |
| P410+P412 | Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. |
| P501 | Dispose of contents/container in accordance with local/regional/national/internation regulations. |

· HMIS-ratings (scale 0 - 4)

• Other hazards

· Results of PBT and vPvB assessment

- *PBT:* Not applicable.
- · vPvB: Not applicable.

3 Composition/information on ingredients

· Chemical characterization: Mixtures

• Description:

Mixture: consisting of the following components. Weight percentages

| · Dangerous components: | | | |
|-------------------------|---------------------------------------|------------------|--|
| 67-64-1 | acetone | 30-40% | |
| 68476-86-8 | Petroleum gases, liquefied, sweetened | 13-30% | |
| | n-butyl acetate | 13-30% | |
| | 2-methoxy-1-methylethyl acetate | 10-13% | |
| 110-19-0 | isobutyl acetate | 5-7% | |
| 108-88-3 | toluene | 1.5-5% | |
| 763-69-9 | ethyl 3-ethoxypropionate | 1.5-5% | |
| | 4-methylpentan-2-one | 1-1.5% | |
| 100-41-4 | ethylbenzene | ≥ 0.1-≤1% | |

4 First-aid measures

- · Description of first aid measures
- *After inhalation: Supply fresh air; consult doctor in case of complaints.*
- *After skin contact: Generally the product does not irritate the skin.*
- After eye contact:
- Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.
- · After swallowing: If symptoms persist consult doctor.
- Information for doctor:
- Most important symptoms and effects, both acute and delayed No further relevant information available.
- Indication of any immediate medical attention and special treatment needed
- No further relevant information available.

5 Fire-fighting measures

- · Extinguishing media
- Suitable extinguishing agents:
- CO2, extinguishing powder or water spray. Fight larger fires with water spray or alcohol resistant foam.
- Special hazards arising from the substance or mixture No further relevant information available.

(Contd. on page 4)

Trade name: 19533 Dark Amber Pearl

· Advice for firefighters

• *Protective equipment:* Wear self-contained respiratory protective device.

6 Accidental release measures

- Personal precautions, protective equipment and emergency procedures Wear protective equipment. Keep unprotected persons away.
- Environmental precautions: Do not allow to enter sewers/ surface or ground water.
- Methods and material for containment and cleaning up:
- Dispose contaminated material as waste according to item 13. Ensure adequate ventilation.
- · Reference to other sections
- See Section 7 for information on safe handling.
- See Section 8 for information on personal protection equipment.
- See Section 13 for disposal information.
- · Protective Action Criteria for Chemicals

7 Handling and storage

· Handling:

· Precautions for safe handling No special measures required.

· Information about protection against explosions and fires:

Do not spray on a naked flame or any incandescent material.

Keep ignition sources away - Do not smoke.

Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50°C, i.e. electric lights. Do not pierce or burn, even after use.

· Conditions for safe storage, including any incompatibilities

· Storage:

• Requirements to be met by storerooms and receptacles:

Observe official regulations on storing packagings with pressurized containers.

• Information about storage in one common storage facility: Store away from oxidizing agents.

(Contd. on page 6)

Trade name: 19533 Dark Amber Pearl

- Further information about storage conditions: Keep receptacle tightly sealed.
- Specific end use(s) No further relevant information available.

8 Exposure controls/personal protection

- Additional information about design of technical systems: No further data; see item 7.
- · Control parameters
- Components with limit values that require monitoring at the workplace:
- The following constituents are the only constituents of the product which have a PEL, TLV or other recommended exposure limit.
- At this time, the other constituents have no known exposure limits.

| 67-64- | -1 acetone |
|--------|---|
| PEL | Long-term value: 2400 mg/m ³ , 1000 ppm |

10 Stability and reactivity

- · Reactivity No further relevant information available.
- · Chemical stability
- Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.
- · Possibility of hazardous reactions No dangerous reactions known.
- · Conditions to avoid No further relevant information available.
- · Incompatible materials: No further relevant information available.
- Hazardous decomposition products:
- Nitrogen oxides
- Hydrocarbons
- Carbon monoxide and carbon dioxide

- · Toxicity
- Aquatic toxicity: No further relevant information available.
- · Persistence and degradability No further relevant information available.
- Behavior in environmental systems:
- · Bioaccumulative potential No further relevant information available.
- *Mobility in soil* No further relevant information available.
- \cdot Additional ecological information:

· General notes:

Water hazard class 3 (Self-assessment): extremely hazardous for water

Do not allow product to reach ground water, water course or sewage system, even in small quantities. Danger to drinking water if even extremely small quantities leak into the ground.

· Results of PBT and vPvB assessment

• *PBT:* Not applicable.

· **vPvB:** Not applicable.

13 Disposal considerations

· Waste treatment methods

· Recommendation:

Must not be disposed of together with household garbage. Do not allow product to reach sewage system.

- · Uncleaned packagings:
- Recommendation: Disposal must be made according to official regulations.
