

Built like a truck. **Not like a boat.**

Forged from stainless steel (not fiberglass)... it could be correctly said it's built like a truck, not a boat. But this bruiser is more than brawn my friend. From the tools of the trade to the utensils on the camp stove, the SmartComponents let you organize your truck bed to fit your life. Plus, you can purchase it online and have it shipped directly to your home, or go to an authorized dealer and let them build it for you.
