SMITTYBILT NEWS

CLASS: SB ISSUE: 35 MONTH/YEAR: DECEMBER 2014 PRODUCT HIGHLIGHT: TENT / AWNING

OVERLANDER TENT & AWNING

There are few things more relaxing than jumping into your Jeep and getting away from the hustle of daily life. Smittybilt recognizes that you don't have to leave all the creature comforts at home though, and their new line of Overlander gear can make your outdoor experience even more enjoyable.

Set up camp in minutes with Smittybilt's **OVERLANDER ROOF TOP TENT,** with waterproof construction, mesh windows for ventilation, and a wide aluminum ladder as standard features.

Built with the same high quality materials as their roof top tent, Smittybilt's **OVERLANDER AWNING** provides shade on those hot summer days and easily attaches to most standard roof racks.

See attached spec sheets for details.
