CLASS: SB ISSUE: 5 PRODUCT HIGHLIGHT: JEEP CHEROKEE BUMPERS

## Jeep Cherokee Bumpers

The All new line of Smittybilt XRC bumpers available for the 84-01 Jeep Cherokee was engineered to provide maximum clearance for rock crawling. Each bumper has high degree approach angles & raised corners for maximum ground clearance. Manufactured out of 3/16" cold rolled steel that is robotically welded to exact specifications. The front bull bar is manufactured from 1.75" tubing and has two light tabs that can accommodate up to a 9" light or LED light bar. Its unique design is capable of mounting up to 15,000 lb winch.
