NEWS

CLASS: SB 3 ISSUE: 7 MONTH/YEAR: FEBRUARY 2012 PRODUCT HIGHLIGHT: XRC COMP

XRC COMP

The most powerful winch in it's class on the planet today! Biggest motor, fastest line speed and comes standard with more features and accessories than most winches in its class. It's a solid state-of-the-art machine that flat out hustles the competition. 3-stage planetary gear system with a gear ratio that delivers lightning fast line speed under load or not. This little powerhouse comes complete with handlebar rocker switch plus a 11' remote control, high performance solenoid & wire loom, 4 way roll fairlead and a universal mounting plate. When you're looking for performance, state-of-the-art components and quality, look to Smittybilt for a premium product and an economical price.
