Parts Included	Qty
Jerry Can Holder (Base)	1

Parts Included	Qty
Jerry Can Top Strap	1

This is a Universal Jerry Can Bracket. It can be mounted in a variety of places. (Truck beds, trailers, bumpers, roof racks, ect..) Due to this no hardware is included.

Step 1: Determine the location you want to mount your bracket. Make sure bracket is flush against mounting surface. (Fig A)

Step 2: Use the holes in the bracket as a guide to mark the holes. (Fig B)

(Fig A)

(Fig B)

Step 3: Depending on the type of hardware you plan to use (Self Tapping bolts, Bolts with Nuts, ect) set the bracket to the side and drill the proper size mounting holes needed. You can purchase hardware at any home improvement store.

Note: Always use caution when drilling. Make sure there are no obstacles or obstructions.
