The new ST 4500lb trailer Winch is packed with powerful performance features. Designed specifically for the Classic Car/Race Car and Power Sports user. It comes standard with a Snappin Turtle V1436 V Strap, and a Rugged 30' hand-held remote, so it's easy to be where you need to be and control the winch from any point of your trailer. The lever operated free spooling clutch allows for fast rope payout and the Dynamic and Mechanical brake ensures there is NO coasting. A weather resistant design and removable handheld remote ensure years of dependable use.
