

Clearshield Pro Paint Protection Film: The Best Protection You Will Never See.

With Clearshield Pro paint protection film you won't need to worry about chips, scratches or stains any longer.

The Benefits are Clear with our Industry-Leading Paint Protection Film:

Clearshield Pro's infused top coat gives you that long-lasting protection for your vehicle you've been searching for. Our nearly invisible film is applied to the painted surfaces of your car (see graphic above) to protect them from road debris such as rocks, bugs, salt, and more.

Clearshield Pro is trusted by consumers around the world and has passed rigorous testing to ensure your car stays protected.

TEST

Front Bumper:

Gravel, debris and road stains won't phase your car's first line of defense.

Full & Partial Hood:

Keep that 'garage stored' look and prevent damage from flying debris, insects or birds.

Headlights:

Avoid cracks and keep your headlights looking newer and clearer for longer.

Full & Partial Fenders:

Keep your curves clean for the bumpy road ahead.

Side View Mirrors:

Don't cringe when someone accidentally brushes your side view mirrors.

Roof & Pillars:

No scratches, no stains, no worries.

Rocker Panels:

Safety from rough terrain like rocky roads and road tar stains.

Door Cups:

Let your bling sing -- watches, rings and keys won't damage your paint job.

Door Edges & Steps:

Avoid entry and exit scratches from rubber soles, purses and briefcases.
