

Chevrolet Pocket Style Set of 4

FACTOR
The Chevy Pocket Style Set of 4 fender flares is designed to give your truck a classic, rugged appearance. The set includes 4 fender flares, 4 sets of hardware, and 4 sets of trim tool.

TRUCK COLOR
The fender flares are available in a variety of colors to match your truck's exterior. The hardware and trim tool are made of stainless steel.

INSTALLATION
The fender flares are easy to install. Simply attach the hardware to the fender and snap the flare into place. The trim tool is used to trim the flare to the desired shape.

WARRANTY
The fender flares are covered by a 3-year, 50,000-mile warranty.
