

Which products are covered?

This limited warranty applies to Sprintex superchargers and supercharger systems sold and normally operated outside Australia (the "Product").

When warranty begins

The warranty period begins on the date the Product is sold to the first retail purchaser.

Limitations

Repair, replacement, or a refund of not more than the retail price of the Product are the exclusive remedies under this limited warranty or any implied warranties. Sprintex does not authorise any person to create for it any other obligation or liability in connection with the Product.

Warranty coverage is limited to the first retail purchaser of the Product. This limited warranty is not transferrable and terminates upon the first retail purchaser's sale or other transfer of the Product.

Any implied warranty or merchantability or fitness for a particular purpose is limited to the duration of this written warranty. Some states and jurisdictions do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you.

Your rights

This warranty gives you specific legal rights, and you may also have other rights that vary from jurisdiction to jurisdiction.

WHAT IS COVERED AND HOW LONG

Basic Warranty

Sprintex warrants to the first retail purchaser of the Product that (1) the Product will be free from defects in materials and workmanship during the period of 12 months or 12,000 miles (20,000 kilometres), whichever comes first, from the date of purchase (the "Warranty Period").

This warranty is an express limited warranty. If the Product fails during the Warranty Period under normal operating conditions as a result of a defect in materials or workmanship, at Sprintex option, it will either (1) repair the Product, using new, used or refurbished replacement parts, or (2) replace the Product with a new, used or refurbished equivalent Product, or (3) refund not more than the retail price of the Product. You must pay the costs of returning any Product to Sprintex for a warranty claim. Sprintex is not responsible for any freight or handling charges on Products returned to it. If a Product returned to Sprintex is returned for a reason covered by this limited warranty, Sprintex will pay for ground shipping charges only to return the Product to you.

The decision whether the Product should be repaired or replaced or whether a refund of not more than the retail price of the Product should be given will be made by Sprintex.

Sprintex neither assumes nor authorises any person to assume for it any other liability in connection with the sale of the Product.

This limited warranty is subject to the exceptions indicated under "What is Not Covered" section below.
