INSTALLATION INSTRUCTIONS

VERY IMPORTANT ! Read and understand all directions and check the following parts list before starting installation. Installation time is approximately 45 minutes.

PARTS LIST					
1	Speed Grille Section	1	Instruction Sheet	11	Installation Clips # 71098
1	Got Street Scene Decal	1	Street Scene Emblem	1	Care For Grille Instruction

TOOL LIST	
Phillips Screwdriver	

1. Remove the Grille Shell from the truck.
2. Remove the six attaching fasteners across the top side of grille shell.
3. Release the six " Push In " retainers securing the grille shell by gently pulling the bottom of the grille shell outward, Two fasteners are located below the grille opening and two are located below the headlight capsules on each side.
4. Remove the eggcrate by releasing the fasteners on the back side of grille shell. A small screwdriver will aid in this process.
5. Install the Speed Grille insert into the opening from the front side of the grille shell, Secure by sliding the attaching clips from the back side of grille shell over the plastic ledge and into the return edge of Speed Grille. Use six clips across the top and five clips across the bottom.
6. Re-install grille shell into vehicle.
7. Install the Street Scene Emblem to grille face. Remove the protective cover.

NOTE: If the metal retainers are still in the body they, they must be removed and installed on grille shell before installing grille shell.
