INSTALLATION INSTRUCTIONS

VERY IMPORTANT ! Read and understand all directions and check the following parts list before starting installation.

| PARTS LIST | | | | | |
|------------|------------------------|---|---------------------|----|----------------------------|
| 1 | RH Speed Grille Insert | 1 | Instruction Sheet | 12 | Installation Clips # 71099 |
| 1 | LH Speed Grille Insert | 1 | Street Scene Emblem | 1 | Care For Grilles |

| TOOL LIST |
|-----------------|
| NO TOOLS NEEDED |

1. Raise front of vehicle to gain access to back side of valance.
2. Install Speed Grille into valance opening from the front side. Clip from the back side using six clips per grille insert. Use three clips across the top and three across the bottom. Refer to illustration for clip installation procedure.

TYPICAL CLIP INSTALLATION
