INSTALLATION INSTRUCTIONS

VERY IMPORTANT ! Read and understand all directions and check the following parts list before starting installation.

PARTS LIST			
1	Grille Shell Complete With Speed Grille Inserts	1	Instruction Sheet
		1	Street Scene Emblem

TOOL LIST	

1. Open hood and remove the four screws across the top of the grille shell. Pull the bottom forward to release the four push in fasteners located across the bottom. If the fasteners remain in the panel remove and discard.
2. Install the new grille shell by first aligning the mounting clips with the holes in the header panel and then snapping together. Fasten the top side using the fasteners removed. Be sure to align the slot near the center before tightening.
