

## INSTALLATION INSTRUCTIONS

**VERY IMPORTANT !** Read and understand all directions and check the following parts list before starting installation.

**Fits Street Scene Roll Pan:** PN 950-70128  
PN 950-70149  
PN 950-70193

### PARTS LIST

<b>2</b>	Billet Roll Pan Grilles	<b>1</b>	Instruction Sheet	<b>4</b>	Phillips Head Mounting Screws
		<b>1</b>	Street Scene Emblem		

### TOOL LIST

Drill Motor, 1/8" Long Drill Bit, Long Black Phillips Screwdriver

1. Examine the grilles and note the two mounting holes located between the horizontal bars on each side. Take a closer look and you will see that the distance from the mounting holes to the end of grille is greater on the bottom side.
2. Set the grille into the opening and hold in place, Drill an 1/8" hole through the mounting hole and into the roll pan on each side.
