The Surf City Garage Story

Made By Enthusiasts, For Enthusiasts®

The Story of the Fastest Growing Detailing Product Company on the Planet

Maybe you've seen our restoration shop, car collection and Enthusiast Grade® Detailing Products featured on the SPEED Channel on Two Guys Garage, Truck U and Chop Cut Rebuild. But how did it all get started? Here's the rest of the Surf City Garage story.

Our roots go back to 1970 when Founder Tim Miller started with nothing more than a single car and a lifestyle vision: to create a world-class collection of Hot Rods, Muscle Cars and Classics for enthusiasts everywhere to share. Today, the Surf City Garage American Muscle Car Collection numbers over 100 vintage muscle cars and motorcycles - and we personally maintain each one, including some of the hottest rides from the 50s, 60s and 70s. Cars like Camaros, Shelybs, 'Cudas and ... well, if Detroit built it to go fast, we've got it.

Well, we sure knew how to keep the cars running, but with all those miles of chrome and custom interiors, keeping them clean and shining was a whole other matter. Tim tried every product out there, but simply wasn't satisfied. He realized a whole new standard of product was required, one with no compromises: maximum shine, maximum protection, maximum cleaning power and 100% safety on all surfaces. So he made his own. After years of work and testing, the result was Surf City Garage Enthusiast Grade Detailing Products, Made By Enthusiasts, For Enthusiasts® - all right here in the USA. And every single product is backed by our industry-best guarantee from Tim, printed right on the bottle: *If these aren't the best products you've EVER used, give me a call and I'll personally buy them back.*

No wonder more and more enthusiasts are switching to Surf City Garage, often to every single product in our complete line. This has made us the #1 Enthusiast Grade Detailing and super-premium product retail brand and the fastest growing detailing product company on the planet. We're sold at major retailers like Walmart, at major auto parts stores like Pep Boys and at speed shops throughout North America. We're also sold in over 30 countries and on every major continent, in places like Costco. Locally, Our last Annual Car Show was by far the biggest one we've ever had with tens of thousands of enthusiasts into our fun lifestyle. Every day, visitors come from around the globe to see the Collection.

So whether you're a DIY'er or a detailer - or a dealer, a distributor, or a retailer who sells to them - Surf City Garage will make you shine.

The Problem:

How do you safely remove damaging contaminants from your car's finish, unlock the full shine in your paint and get the best possible value?

The Solution:

ClayZilla is a Surface Prep System that restores your paint. It includes an ergonomic, patented, high-density foam applicator that is soft and pliable, PLUS our replaceable Zilla Pad®, which lasts 5X longer than a clay bar, PLUS an 8oz bottle of our specially formulated 8oz Zilla Juice® Detailer.

The Result:

Maximum reflectivity for your paint. Maximum gloss. All fast, quick and easy – and long lasting. Our competitors' surface prep systems don't stand a chance against ClayZilla®.

Speed Demon[®] Wax Detailer

Use Speed Demon on your dusty car and your jaw will drop. It's not magic, but using it is the closest you'll get to being a magician. Spray it on the surface, glass and chrome between wax sessions to keep your car looking brilliant. Dusty car? Doesn't matter. Dust particles are suspended so they never touch the surface, ever. Give your car a brilliant shine, block contaminants and UV rays, all with no buildup and no streaks. Speed Demon even lasts three times longer than other detail sprays (thanks to high levels of #1 Carnauba wax). Impress your friends and yourself with Speed Demon.

Hot Rod[™] Protective Detailer

Looking for a quick detailer that actually works, not just some watery spray that looks good for five minutes, then shows streaks and scratches once it dries? Then you need Hot Rod Protective Detailer, a true Enthusiast Grade, high-tech, wax-free synthetic detailer. It'll never scratch your paint or leave those ugly streaks. Hot Rod gives your car a brilliant shine with its fast gloss formula and unmatched UV protection. The results: longer life for your paint, less work for you, and more show-stopping looks for your car.

Beyond Clay[®] Paint Polish

Fold a clay bar a few times and you're grinding contaminants into your paint instead of getting rid of them. So don't waste money on clay bars, because we have a better way: Beyond Clay, The Detailers' Paint Polish. It does way more than a clay bar ever dreamed of doing: restores faded paint to a factory gloss and removes swirl marks, light scratches and surface contaminants. Got tough water spots that are determined to stain your car forever? Beyond Clay gets rid of those too. Use it with no fear of damage because Beyond Clay is 100% safe for all surfaces. With Beyond Clay, you'll never buy a clay bar again. Guaranteed.

Wipe Out[™] Scratch Eliminator

Surface scratches on your ride can make all that time you spend detailing seem worthless. Until now. Wipe Out erases scratches in your clear coat, instead of just hiding them like other products. It's safe and works great on every color. Eliminate scratches, swirl marks and oxidation from the surface of your clear coat. (Not for deep scratches that go through the clear coat.) You don't need a buffer, just your hand, Wipe Out and an applicator pad. There's no easier way to get rid of scratches as soon as they occur. Don't just cover up the surface scratches on your ride, get rid of them with Wipe Out Scratch Eliminator.

Barrier Reef[®] Carnauba Spray Wax

The deepest gloss. The easiest to use. Just two reasons why Barrier Reef has become the best-selling wax in the Enthusiast Market. But there's much more. It also provides the longest-lasting paint protection and is hand blended with the world's best Brazilian Carnauba for that deep, wet, reach-in-and-touch-the-paint-gloss. Try Barrier Reef just once and we guarantee you'll never use another wax on your ride.

The Surf City Garage Clay Bar Kit

Every moment your car is outside, it's exposed to all types of contamination that can decrease shine and leave your paint feeling rough. Regular washing removes surface dirt, but what about those stubborn contaminants like paint overspray, industrial fallout, water spots bug guts or sap? These tiny particles impact your paint's reflection and can leave it dull. That's where the Surf City Garage Enthusiast Grade Clay Bar Kit comes in. The high tech synthetic polymer clay grabs those tiny surface contaminants and pulls them away from your delicate paintwork, leaving behind a perfectly clean, glass-smooth surface that's ready to be polished or waxed with your favorite Surf City Garage products.

And it's not just for paint! The Surf City Garage Clay Bar Kit works wonders on your glass, chrome trim, or any other smooth exterior surfaces. Unlock a new level of clarity and gloss on all your exterior surfaces with The Surf City Garage Clay Bar Kit.

SKU 330 – Kit Includes (3) Premium 80g clay bars, 16oz Hot Rod® Protective Detailer spray bottle, 16" x 16" Nano-Detail™ microfiber towel

Sledge Hammer® Engine Degreaser

Grease and grime can be pretty tough, and with a name like Sledge Hammer®, you better be the toughest guy on the shelf. Sledge Hammer® is your one-stop solution to all your heavy-duty car cleaning needs. Powerful degreasing agents and specially formulated detergents make short work of greasy engine bays and undercarriages - and even dirty tires.

Takes down those stubborn, grimy surfaces, leaving them perfectly clean without unpleasant odors or harm to your ride. Drop a sledge on grime with Sledge Hammer® Engine Degreaser.

SKU 107 – 24oz

Barrier Reef® Wash & Wax

Did you know that washing your car is your first opportunity to scratch it? The fact is that 90% of all damage to your car's paint comes from using economy car wash. Now, with Enthusiast Grade® Barrier Reef, you can wash and wax without a scratch. Barrier Reef's maximum suds, maximum protection #1 Brazilian Carnauba wax formula is hand-blended to isolate dirt particles so they can't scratch your paint. It never strips your existing wax and it always leaves a glass-smooth surface with a just-waxed shine and a fresh, clean scent. Not only that, it's the best value on the shelf – this single bottle will wash 64 cars.

SKU 590 – 64oz

Pacific Blue® Wash & Wax

Pacific Blue Wash & Wax is gentle and safe, but leaves the surface so clean you can even eat off it. This super-concentrated (32 washes in 32 ounces!), #1 Carnauba wax formula isolates dirt particles so they can't scratch your paint. Wash without scratching, ever. You get Carnauba wax protection, it won't strip your existing wax and it even smells great. Not like strawberries, but like the Pacific.

Water Saver™ Rinse-Free Wash & Wax

Surf City Garage Rinse-Free Wash & Wax is a breakthrough in cleaning technology. Its sophisticated polymers and high quality waxes in a concentrated formula mean you can clean your car anywhere with nothing more than a couple of buckets of clean water and some towels. Too good to be true? Try it yourself and see! The slippery concentrate creates a barrier between your paint and swirl-causing dirt, removing that dirt safely and effectively. Clean your car anywhere, even from the comfort of your garage, all without the need for a hose or running water.

SKU 164 – 32oz

Beyond Glass® Glass & Surface Cleaner

Beyond Glass® is the top choice of enthusiasts for three crystal clear reasons. #1: Unlike economy glass cleaners, it's ammonia free, so it's totally safe even on tinted windows and weather-stripping. #2: It never, ever streaks – not even in the hottest sun. #3: It's hands-down the best cleaner on the market for granite countertops, chrome, stainless, stove tops, ceramic tile and virtually every solid surface. Beyond Glass – There's simply nothing else like it.

Top End® Convertible Top Cleaner & Protectant

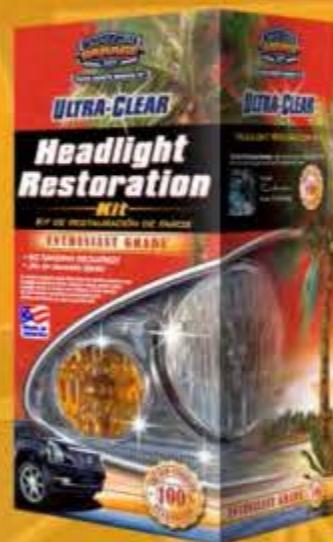

Do you ride with your convertible top down in the dead of winter just to hide the stiff and dirty material? Make it soft and supple with Top End, a cleaner, protectant and conditioner all in one single product. 100% safe on vinyl, canvas or fabric, Top End cleans stains and mildew, repels dirt and dust, protects against UV rays and extends the life of your top. Works great on vinyl/tonneau bed covers too. And there's nothing better to protect your new top right from the start. Use Top End regularly to prevent the stiffness that plagues many convertible tops. Top End's so good that you'll wish you could keep your top on in nice weather just to show it off.

SKU 109 – 24oz / SKU 485 – 8oz

Ultra-Clear® Headlight Restoration Kit

What makes Ultra-Clear® better than other headlight restoration kits? No sanding required. Most other kits require several steps of sanding to remove contaminants. That's a lot of work. Only Ultra-Clear uses advanced Micron Polishing Technology™ which eliminates the need for sanding and gives you that factory-new look without all the extra effort. And only Ultra-Clear includes a Lens Protectant that protects new, undamaged lenses and freshly restored ones from future fading. Includes: 4oz Ultra-Clear Lens Polish, 8oz Ultra-Clear Lens Protectant, 1-Polishing Ball, 1-Microfiber Towel and 1-roll of masking tape (drill not included).

Road Trip® Grime Destroyer

Bugs, tree sap, tar, road grime and birds don't care about your paint the way you do. In fact, they'll destroy it right down to the bare metal. That's why you need Road Trip Grime Destroyer. It's a gel that stays where you put it to dissolve, remove and clean the worst grime from any exterior metal surface of your car. Yes, even from clear coats! No more using watery bug & tar removers that drip off before they can do any good. This powerful gel is the only bug and tar remover that can handle "Love Bugs," the most paint damaging insects known to man. So love your car, not the bugs, and safely wash it all away with Road Trip.

Hit The Spot® Carpet & Upholstery Stain Remover

We all bring food, dirt, grease and other junk into our cars, even if we don't notice. And they all end up hitching a ride. Now it's time to kick them to the curb. Hit The Spot cleans and removes the toughest stains from grease, food, drinks, dirt, grime and mildew. This Enthusiast Grade cleaner and spot remover is 100% color safe on all carpets and upholstery including vinyl, rubber floor mats, cloth and leather. It even prevents mold and color-fading. Hey, it doesn't just cover bad odors with chemical smells – it kills them instantly and completely, leaving a great jasmine scent.

Voodoo Blend® Leather Cleaner & Conditioner

When it comes to your car's interior, nothing beats new leather – it's clean, soft and smooth, and it smells amazing. To maintain that original look and feel, you need to be sure to not only remove contaminants and grime, but also condition the leather. Without the proper care and protection, your leather will start to dry up and become an uncomfortable, cracked mess. At Surf City Garage, we developed Voodoo Blend Leather Cleaner & Conditioner to be an all-in-one product that gives your leather the best treatment possible. It removes all of the dirt and grime from leather first and, just like our Voodoo Blend Leather Rejuvenator, conditions and rejuvenates the leather itself. So, whether you are trying to maintain new leather or bring your leather back from the dead, Surf City Garage's Voodoo Blend Leather Cleaner and Conditioner will take care of it for you.

SKU 113 – 24 oz

Big Block® Interior Protectant

Your car's interior deserves just as much protection as its paint and wheels. Harmful UV rays, the sun's heat and even intense cold can ruin your interior, making it dry out, fade and crack. Big Block Interior Protectant puts a stop to that – in no time! Its powerful UV blockers keep your interior looking like new. Specially formulated Enthusiast Grade® quality works great on leather, vinyl and plastic. Simply spray on and wipe off for a smooth satin finish that's never greasy or oily.

SKU 111 – 24oz

Voodoo Blend® Leather Rejuvenator

Dry, cracked or just plain horrible looking seats? You don't want to ride around like that! Restore them with Voodoo Blend Leather Rejuvenator to bring your leather back from the dead. It also keeps new leather supple and smooth. The best beeswax on the planet combined with oil-replenishing lanolin soothes your leather like lotion on dry skin. Rejuvenate and condition old leather or apply it on new leather to add long-lasting waterproofing protection. It even smells like real leather. Works great on vinyl, too. Plus leather couches, jackets, attaches, handbags, wallets, even shoes. No more dry, ugly leather. Bring all your leather back to life and keep it there with Voodoo Blend.

Killer Chrome® Perfect Polish

Ever dealt with tarnished chrome? Then you know it's ugly and hard to polish. Killer Chrome makes it easy. Chrome, aluminum, stainless and even brass, this stuff is Enthusiast Grade and does it all. Use its non-abrasive chemical formula repeatedly to remove surface rust and oxidation with no fear of damage to your chrome or metal, unlike with abrasive metal cleaners that can lead to expensive re-plating. Killer Chrome also works twice as fast as other polishes whether you apply it by hand or machine. There's no better way to safely get rid of tarnish and get a killer mirror finish.

Aluminum Polish

At Surf City Garage, we see more abused aluminum in one day than most shops see in a year. We needed a workhorse polish that removed road film, restored tarnished wheels and moldings, and gave all the aluminum it touched a dazzling shine. Plus it had to be easy to use whether we were polishing by hand or machine. So we locked our chemist in the lab until he produced the Perfect Polish we wanted. (Hey, our special aluminum formula even works on chrome and stainless steel.) Now every one of our rides – and yours – can have a standout shine with Absolutely Aluminum.

Diamond Edge™ Wheel Wax

What's the first thing people notice about a cool looking ride? – It's wheels. The problem is, they've never looked better than the day you bought them, and let's face it, keeping your wheels looking sharp is no easy task. You could work all day to bring that "just out of the box" gleam back again, but if you're like us, we prefer to get right behind the only wheel that matters. That's why Diamond Edge® Wheel Wax is your single-bottle solution to clean, seal & protect. So why should you use Diamond Edge instead of regular car wax? It's all about the temperature. Your wheels get extremely hot under normal driving temperatures and regular wax just won't stand up against that kind of heat. Diamond Edge's advanced, resin-based formula not only goes on super quick & easy, but will stand up to the heat of the road and give you long-lasting protection for months.

Beyond Steel® Wheel Cleaner

Dirty brown tires or brake dust on your wheels are plenty embarrassing. Get rid of them quick and easy with Beyond Steel Tire & Wheel Cleaner. It's fast, easy to use and gets your wheels and tires looking brand new in seconds. If you've got thick road grime, use a light brush and it'll disappear even before you can check your watch. Everyone knows tires aren't brown, so clean them with the most powerful tire & wheel cleaner on the market. The best part is you can safely use Beyond Steel on any wheel, even those with clear coats. End those dirty wheels and tire problems forever with Beyond Steel.

Code Red® Active Wheel Cleaner

Just to be clear – this is not your dad's wheel cleaner, so get ready to spray on and stand back! If you've picked up this product, you're tired of the same old, wimpy wheel cleaner that's weak, dull & short-lived. Are we right? Then we dare you to call in a Code Red! Your wheels take a beating from the road and Code Red Wheel Cleaner is just what you've been waiting for. Its acid-free formula actively hunts down brake dust & other contaminants, making it the most effective product for cleaner, brighter wheels. Watch as its Advanced Reaction Technology™ moves in on the grime, turning from green to red as it's working. Code Red – no more mercy, no more brake dust™!

Nano Seal™ Protective Coat

Unsealed pores in your paint cause major damage even when you can't see them. They let Mother Nature walk right in to shorten the life of your paint. They also absorb light, stealing the shine from your car's surface. That's why Nano Seal is the best thing you can do for your car's paint – period. It coats and seals every single pore for maximum protection, shine and reflectivity. By filling the pores, they reflect light instead of absorbing it, so you get a high-gloss, high definition shine that lasts unlike any other. No other product on the market can offer the type of protection and award-winning gloss that Nano Seal provides. So just say no to Mother Nature and get a world-class shine at the same time.

Nano Glaze™ Gloss Coat

No matter how freshly waxed and detailed your ride is, don't you still want more? Amp up the shine with Nano Glaze Gloss Coat, the ultimate shine amplifier. Super easy to use, this ultra high-definition synthetic hand glaze includes #1 Carnauba Wax and is safe for all clear coats. Use it for a smooth-as-glass finish in just minutes. Now put on your sunglasses and be careful not to blind others.

SKU 135 – 16oz / SKU 498 – 8oz

Surf City Garage Show Car Tip

At Surf City Garage, we like to take the Nano Seal and Nano Glaze process a step further and add in our Barrier Reef Carnauba Wax. All 3 of these products produce great results on their own, but for unmatched shine and protection first use Nano Seal Protective Coat, then Barrier Reef Carnauba Wax for depth, and top it off with Nano Glaze Gloss Coat, our shine amplifier. Then, just sit back and enjoy that mirror finish.

We do this every couple of months to keep our rides looking like they just came out of the paint booth. Here are our minimum recommendations:

- Nano Seal Protective Coat – 2 to 3 times per year
- Barrier Reef Carnauba Wax – Every 2 months
- Nano Glaze Gloss Coat – As often as needed for touch up (we use this weekly)

Black Max® Vinyl, Rubber & Trim Dressing

Got cloudy gray trim, but want the black back? Black Max is here to save the day. It makes vinyl, rubber and plastic look showroom new in minutes, whether they're black or any other color. Plus, Black Max is a cream so it stays on your car instead of dripping to the ground. Its powerful UV blockers stop or prevent bleaching and cracking from the sun. The finish isn't greasy or glossy, so you get a perfect factory-new look. A little goes a long way, too, because Black Max lasts through dozens of washes and even rains. Keep Black Max in your detailing kit for a showroom look that lasts.

Barrier Reef® Carnauba Paste Wax Kit

Detailing purists and enthusiasts obsessed with durability, incredible gloss and unparalleled beading ability have used paste wax exclusively for years. But even the most expensive paste waxes have well-earned reputations for being difficult to work with. Barrier Reef has finally changed all that and made the paste wax experience what it was meant to be. Starting with the best Carnauba in the world from the Brazilian rainforests, we added cutting edge advanced polymers and custom-blended the world's best paste wax, one that improves on Mother Nature herself. It's not only the easiest-to-use paste wax on the planet, but it also creates a mile-deep gloss that looks like a reflecting pool of color.

PROBLEM

The mandate for catalytic converters in all new cars eliminated the need for Zinc in motor oil. Modern conventional motor oils today lack the high zinc protection pre-1985 engines require.

SOLUTION

We've formulated a unique blend of conventional base oils and performance additives to help prevent and even correct minor oil leaks in all pre-1985 vehicles.

RESULT

Vintage Car Motor Oil[®] coats and protects the internal parts of your engine from premature wear, more specifically the camshaft and lifters.

Our Vintage Car Motor Oil offers 2000 PPM Zinc for maximum camshaft protection.
