

Thule Hullavator PRO 898

Ultra premium lift assist carrier reduces up to 40 lbs. of a kayak's weight and allows side of vehicle loading, unloading and strapping.

1. Wider cradles can accommodate bigger width hulls (up to 36 inches wide)
2. Waist-level loading, unloading and strapping by lowering the kayak 40 inches to the side of the vehicle
3. Gas struts making it easy to load and unload the kayak unassisted as the carrier takes 40 lbs. of the kayak's weight
4. 8 touchpoints of padded support for maximum protection of your kayak
5. Corrosion-resistant base and cradles enhance life of the product
6. Thule's One-key lock cylinders (sold separately) allow you to lock the carrier to the vehicle
7. Includes QuickDraw bow and stern tie downs and two center straps with car-protective buckle bumpers
8. Fits Thule rack systems, round bars and most factory racks with both T-track and around the bar mounting options
