

Tire Series Specification	MAX Recommended Letter Height
---------------------------	-------------------------------

20	0.5"
25	0.75"
30	1.0"
35	1.25"
40	1.25"
45	1.5"
50	1.75"
55	2.0"

Example:

Tire Size: 245/**45**/R17 MAX Recommended Height: **1.5"**

When in doubt, it is safest to size the same height as the tire manufacturer's brand letters. Anything larger may risk damage in cornering or standard driving conditions.
