WHY BUY A TONNEAU COVER?

- **PROTECT YOUR PAYLOAD FROM WEATHER.**
A tonneau cover will protect your bed and contents from rain, sleet, snow, hail, and damaging UV rays.
- **SECURITY AND THEFT PROTECTION.**
Tonneau covers offer increased security, because thieves don't steal what they can't see.
- **ORGANIZATION AND SAFE TRANSPORT.**
Tonneau covers help keep things organized, helping to prevent damage and breakage. Tonneau covers also keep contents from being blown around or blown out of the truck by wind.
- **IMPROVED AERODYNAMICS AND GAS MILEAGE.**
This is a big advantage for truck owners because covers significantly reduce drag (wind resistance). By adding a tonneau cover to your truck, air slides easily off the cover rather than getting trapped in the bed, which may improve gas mileage.

THE MOST ADVANCED TONNEAU COVER EVER MADE. PERIOD.

M-SERIES TONNEAU COVER

THE MOST ADVANCED TRUCK BED COVER EVER MADE

From its retractable function, which permits opening or closing in seconds, to its rigid, vinyl-over-aluminum laminated construction, the M-Series hybrid cover offers everything other covers don't: no snaps to manipulate, no roll or bundle to lash down or stow, no crossbars to negotiate, no fabric shrinkage struggle, no folding or solid hinged covers to combat, and no worries about cargo security.

UNIQUE CONSTRUCTION

Contoured, patented hinge design provides a smooth, frictionless rotation

TORSION SPRING EQUIPPED

Heavy-duty torsion spring drive, housed in a 3" aluminum reel

BUILT-IN TAILGATE LOCK

Secure cargo the patented, four-point locking system which simultaneously secures the tailgate and bed cover

CLAMP-ON INSTALLATION

Patented clamp-on track design simplifies the installation while minimizing drilling

DRAINAGE

Recessed drain fittings ensure rapid and complete drainage of the unit housing

A-SERIES™ TONNEAU COVER

BUILT TO GO THE DISTANCE

The all-aluminum A-Series retractable tonneau cover is built with the same rugged durability and functionality as the M-Series. The difference is a unique slat design which is bound together by a patent pending hinge technology that delivers a nearly impenetrable seam. Unlike other aluminum bed covers that provide only "out of sight, out of mind" security. Roll-N-Lock's no exposed rubber seams and a patented tailgate locking system, knife-wielding thieves don't stand a chance.

PATENT PENDING THEFT RESISTANT HINGE

Greater security with no exposed seams

POWDER-COATED ALUMINUM COVER BODY

Tough, powder-coated aluminum cover body

TORSION SPRING EQUIPPED

Heavy-duty torsion spring drive, housed in a 3" aluminum reel

BUILT-IN TAILGATE LOCK

The patented, four-point locking system secures both the tailgate and bed cover

CLAMP-ON INSTALLATION

Patented clamp-on track design simplifies the installation while minimizing drilling

DRAINAGE

Recessed drain fittings ensure rapid and complete drainage of the unit housing

E-SERIES TONNEAU COVER

ELECTRIC RETRACTABLE TRUCK BED COVER

The E-Series electric retractable tonneau cover includes all the advantages of the A-Series, but also opens and closes with a simple push of a button. The wireless key fob allows the cover to stop and lock anywhere along the bed, and also operates the integrated LED bed light. The cover also includes a patent pending theft resistant hinge, pressure sensitive stop and emergency release cable for manual opening.

DURABLE COMMERCIAL MOTOR

Proven technology that delivers reliable and long-lasting operation

TORSION SPRING EQUIPPED

Heavy-duty torsion spring drive, housed in a 3" aluminum reel

PATENT PENDING THEFT RESISTANT HINGE

Greater security with no exposed seams

POWDER-COATED ALUMINUM COVER BODY

Tough, powder-coated aluminum cover body in a matte black light textured finish

BUILT-IN TAILGATE LOCK

The patented, four-point locking system which secures both the tailgate and bed cover

CLAMP-ON INSTALLATION

GENESIS SERIES TONNEAU COVERS

SECURE & PROTECT YOUR CARGO IN MINUTES - FOUR GREAT STYLES & TWO FABRICS, ALL WITH PROVEN DEPENDABILITY.

LUND GENESIS TONNEAU COVERS have been designed and engineered for easy installation, operation and a perfect fit for your specific vehicle. All LUND Genesis tonneau covers feature a premium quality, rip-stop, marine grade vinyl fabric with a leather pattern, semi-gloss black finish.

LUND GENESIS ELITE TONNEAU COVERS have the same robust design characteristics as the Genesis, but we have fitted the Genesis Elite Series with a luxurious HAARTZ® twill weave fabric. The lightly textured matte-black finish blends perfectly with factory truck components. Best of all, this unique fabric repels water, mold, mildew, UV, dirt and dust. No special chemicals are needed to clean or treat HAARTZ twill, which easily rinses clean with a garden hose.

- Select from Genesis vinyl or Genesis Elite twill fabric and choose the style that best suits you
- Aircraft-grade 6063 aluminum frame; delivers excellent strength-to-weight-ratio
- Black polyester liquid-coated aluminum, provides a durable lasting finish
- Heavy-duty (fiber-filled) injection molded components for high-quality finish and trouble free service
- EPDM rubber bulb-seals, gaskets and flaps provide a weather-tight seal to protect your cargo
- Tops may be used in fully-closed or open positions; integrated strap & buckle system for transport
- Patented slide-lock clamps are simple to operate and give easy access to the truck bed when needed
- Most configurations come fully-assembled; all install in minutes with no-drilling necessary

HARD FOLD TONNEAU COVER

MAXIMIZES SECURITY WITH IMPACT AND THEFT-RESISTANT PANELS

LUND Hard Fold provides the best of both worlds by combining a vinyl fabric top, over a tough aluminum full coverage panel system. The result is a low-profile, light-weight top for a clean look, with the added security of a hard-fold.

- Premium quality double-sided, tear resistant, matte-black vinyl with leather patterned finish
- 6063 aluminum frame delivers excellent performance and strength for lasting service
- 3003 aluminum scuff and dent-resistant, “no-show” panels
- Black polyester liquid-coated aluminum frame and panels
- Reinforced high-impact components; injection molded for exceptional fit and finish
- EPDM rubber, weather-tight, bulb-seals, gaskets and flaps help keep out moisture and dust
- Top may be used in fully-closed or open position; integrated strap & buckle system for transport
- Simple clamping system for latching and easy removal when full bed access is needed
- Tailgate and top may be opened and/or closed in any sequence
- Comes fully-assembled, easy-no drill installation
- 350 lb. weight rating (evenly distributed)

UNMATCHED QUALITY, AFFORDABILITY & VERSATILITY

TONNO PRO LO-ROLL TONNEAU COVER

The Tonno Pro Lo-Roll Vinyl Tonneau Cover is one of the most versatile covers on the market. After easy installation, you can get full access to your truck bed AND have security and protection from the elements. Our Lo-Roll truck bed cover is mounted inside the bed rails offering access for mounting any of your other favorite accessories – like ladder racks, side rails, tie downs, bike racks – whatever you need to truly enjoy your truck!

Snap installation will have you up and running with your Tonno Pro tonneau cover in minutes. There's no drilling involved and the only tool you'll need is a 17 mm socket and ratchet.

The quality of the Tonno Pro Lo-Roll is unmatched. From the tear-resistant double sided vinyl, to the 6063 grade powder coated aluminum components, this cover offers the industry's best warranty. Not only does the Tonno Pro Lo-Roll provide you the security and functionality you need from a truck bed cover, but it does so with Low Profile Styling that will look great on any truck!

- Unmatched and Industry Leading Warranty on all components including the vinyl cover
- Low Profile Design that results in Gas Savings from 10% to 13%
- Applications for Chevy, GMC, Dodge, Ford, Nissan and Toyota Model Trucks

TONNO PRO HARD FOLD TONNEAU COVER

The Tonno Pro Hard Fold is the latest edition of our top selling premium Tonno Covers. The Hard Fold has been designed with an extremely tough all aluminum underbody frame covered with our highest marine grade vinyl on top. This impact resistant cover offers maximum security with the ease of installation and operation.

When needing to open, simply unclamp the EZ lock handles and fold the cover forward. The nylon straps hold the cover in the open position when you need to haul your cargo. This cover comes completely assembled – NO DRILLING is required! Installation time is less than 10 minutes. As with all of our Tonno Pro covers, we offer a limited lifetime warranty.

- 6063 All Aluminum Sub Panels (3)
- Double Sided, Tear Resistant – 24.5oz Marine Grade Black
- Vinyl material which is the highest standard in the industry
- Black Epoxy Coated Sub Panels and Support Beams
- Weight Rating of 350lbs (evenly distributed)
- Applications for Chevy, Ford, Dodge, GMC, Nissan and Toyota

TONNO PRO TONNO FOLD TONNEAU COVER

The Tonno Pro Tonno Fold Tri-Folding Tonneau Cover has become the fastest growing cover in its class and for good reason! The three sections are hinged together making it easy to fold it into a more compact unit. You can remove it in seconds when you have oversized cargo or simply fold it forward to lock it in place for smaller loads. Our Tri-Fold tonneau cover comes completely assembled – NO DRILLING is required! This makes installation of your truck topper a snap.

- Double Sided Vinyl with our proprietary black textured finish is tear resistant and made from 24oz. material which is the highest standard in the industry
- Comes completely assembled and installs in less than 5 minutes
- Snap Clip style fastening system allows for safe and easy storage in the open position
- Unmatched and Industry Leading Warranty on the Frame, Clamps and Cover
- E-Z clamping system for securing your cover and providing tension and security to the cover
- Low Profile Design that results in Gas Savings from 10% to 13%
