

**Warranty:**

TuHart products are covered by a limited manufacturer's warranty against defects on originally installed vehicle for the period stated below. Warranty does not cover parts that have been abused, modified, incorrectly installed or used for other than the original intent or application. Normal wear and tear (at the opinion of Truhart) is not covered under warranty. Proof of purchase is required for all warranty claims, warranty applies to original purchaser only and is non-transferable. Shipping and labor are not covered under warranty.
