

TRUXEDO

AMERICA'S #1 SELLING SOFT ROLL-UP TONNEAU COVER

B-lightTM

TONNEAU LIGHTING SYSTEM

The B-Light is an innovative lighting system brought to you by TruXedo, the leader in roll-up tonneau covers and truck accessories.

PART NO:
1704523

FEATURES AND BENEFITS

Illuminate the Entire Bed with One Switch

Lights are operated by one control switch that mounts in the cab or bed.

Universal Fit

The B-Light system is compatible with all makes/models of pickup trucks.

Works Under All Tonneaus

The B-Light lighting system is compatible with every style of tonneau cover. The kit is covered by a 1-year warranty.

High Intensity LED Technology

The kit contains 8 lights with 6 LED bulbs to completely illuminate the truck bed.

Strategic Under Rail Placement

Lights mount safely underneath the bed rail to keep them protected from unstable cargo.

Easy Installation

Installs in less than 30 minutes – the kit includes: detailed instructions, over 20 feet of wiring and all mounting supplies.
