

Nissan Titan XD

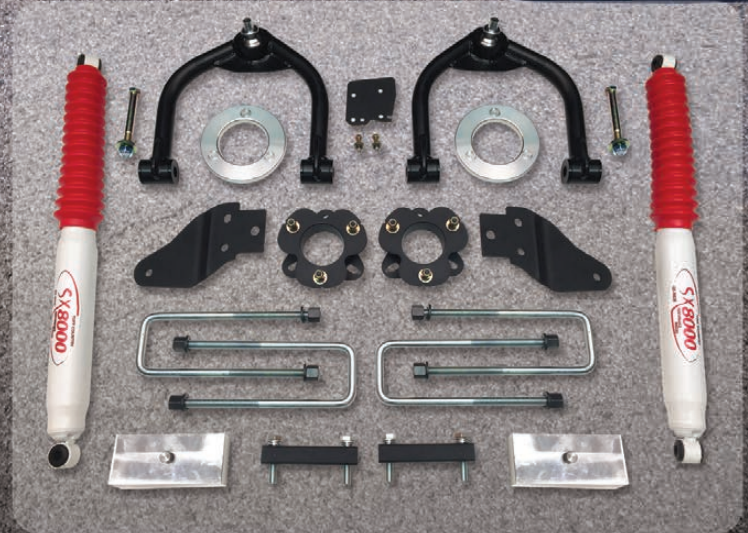

# LIFT KITS

## 4" Titan XD

Tuff Country's 4 inch lift kit for the hot new Nissan Titan XD will allow for up to 33" tires (35" with trimming). Installs easily using a combination of upper control arms and coil/strut spacers to lift the front end. Rear 2" lift blocks raise the rear end.

- Includes upper control arms using extremely durable uni-ball joints
- Fit up to 35" tires (w/trimming)
- Limited Lifetime Warranty
- Proudly made in the USA
