

Our Chrome Will Get You Home!
Silver Bullet Alternators
The "Ultimate" in Looks AND Performance!

- Specially designed smooth die-cast housings
- Carefully hand polished and triple chrome-plated to absolute perfection
- Polished aluminum and powder-coated also available in a variety of colors
- "Billet" aluminum fan and your choice of serpentine or V-groove pulley gives it over-the-top styling
- Exclusively-developed high-tech rotors and stators, built with higher copper and steel content, deliver the greatest output with the best reliability
- Ultra low cut-in voltage regulators keeps the extra amps flowing in low idle situations
- Highest-quality neoprene-sealed bearings for long-life
- Real One-Wire hook-up simplifies the installation and unclutters the engine compartment (some models can also be used as a 3-wire hook-up)
- Available in the most popular models with the highest outputs, up to 225 Amps on many vehicles, give us your applications!
- 100% NEW – NOT REBUILT!
