03-06 Dodge Sprinter

1. The filter is located under the hood, below the middle of the vehicle's windshield. Peel away the foam covering the filter housing.

3. The old filter should now be visible. Pull down old filter to remove.

2. Locate and release the 2 clips (one front, one back) securing the filter housing cover. Remove cover by sliding it to the right. Set cover aside.

4. Insert new TYC filter into housing. Ensure that the air flow arrow is pointing up.

5. Reinstall in reverse order.
