About us...

Original Parts. Perfect Quality.

ULO is the internationally operating trademark of the odelo-group and is known for its exclusively unique original equipment expertise and quality.

The spare parts supplied by ULO, such as head and rear lights, side mirrors and daytime running lights, which are distributed to the independent aftermarket are original parts and therefore perfect in terms of quality of material and their precision fit. Universal parts for commercial vehicles complete the product range of ULO.

Wholesalers, independent repair shops and exporters belong to our customers, which we supply all over the world. With more than 2,300 articles in our product range, we guarantee a fast and worldwide availability of our products.

Vehicle brands mainly in the premium segment like Audi, BMW, Mercedes-Benz, Opel, Porsche, Toyota, VW, MAN and Evobus are provided by our product range.

The high and increasing demands of the automotive industry are fully achieved by ULO products. Our products conform fully with the security guidelines of automotive manufacturers because they come directly from the serial production.

The product range is constantly expanding with new and innovative products and applications. Modern production processes at the highest OE standards ensure lasting quality.

And ULO brings this quality for their customers to the independent aftermarket - ULO stands for original quality and innovative products!

ULO Aftermarket is a TecDoc-listed and certified data supplier and this catalogue is produced with TecDoc data.

About us ...

Unique original quality of ULO

ULO is the internationally operating trademark of the odelo-group and is known for its exclusively unique original equipment expertise and quality.

The spare parts supplied by ULO, such as head and rear lights, side mirrors and daytime running lights, which are distributed to the independent aftermarket are original parts and therefore perfect in terms of quality of material and their precision fit. Universal parts for commercial vehicles complete the product range of ULO. Visit our homepage www.ulo.de for more information about ULO spare parts.

Wholesalers, independent repair shops and exporters belong to our customers, which we supply all over the world. With more than 2,300 articles in our product range, we guarantee a fast and worldwide availability of our products.

Vehicle brands mainly in the premium segment like Audi, BMW, Mercedes-Benz, Opel, Porsche, Toyota, VW, MAN, Evobus and numerous commercial vehicles are provided by our product range.

The high and increasing demands of the automotive industry are fully achieved by ULO products. Our products conform fully with the security guidelines of automotive manufacturers because they come directly from the serial production.

The product range is constantly expanding with new and innovative products and applications. Modern production processes at the highest OE standards ensure lasting quality.

And ULO brings this quality for their customers to the independent aftermarket - ULO stands for original quality and innovative products!

Our expertise shows you the right way!
