SWING CASE

SWING AWAY WORK OR PLAY

Imagine accessing your gear by simply pulling a release lever - without reaching over, or climbing into, your truck bed.

UnderCover, maker of the most popular hard tonneau in the USA, reinvented the SwingCase, the most innovative and versatile truck storage box ever made.

Built to last from lightweight, high impact ABS plastic, SwingCase is tough, weatherproof, and is custom fitted for your truck. The SwingCase is affordable too. In fact, you can purchase two SwingCases for less than the price of an old fashioned truck bed tool box.

LIFT-OFF REMOVAL

Easy on, easy off, without using any tools. Take your gear with you - it even stands upright on its own.

LOCKABLE

The secure, versatile TWIST-LOCK allows you to open your SwingCase with or without a key.

SWINGS OUT

Provides easy access from the back of the tailgate... No reaching!
