8.5" x 12.8" x 3.6" (wt. TBD lbs)

The BCD436HP continues Uniden's tradition of making technology-leading scanners, with the features you want. Now, we've made our flagship model even easier to use, by including HomePatrol programming...simply enter your zip code and the BCD436HP selects nearby channels from the complete USA/Canada database from RadioReference. You can't get any easier, or any more advanced.

With the largest display on the market, most advanced features, and superb digital and analog performance, you'll want this scanner on your belt 24/7.
