

TRANSPORTER SERIES

The Transporter series produces ultimate distance while maintaining a smooth and balanced beam pattern. Ideal for long-haul commercial vehicles, the Transporter series features an extruded 6061 aluminum housing. Attach a cover to change the beam patterns as well as colors, giving you the best light for any condition.

ACCESSORIES

Easily adapt to any environment with the available polycarbonate covers which allow for changes in beam pattern and color with a snap.

E-MARK APPROVAL

European Regulatory certification for on highway use within the EU available on the 9 LED Transporter Light with the 10° optic.

TRANSPORTER IN ACTION

TRANSPORTER 18

ITEM #: CTL-TPX1840 Shown
PART #: 9111193

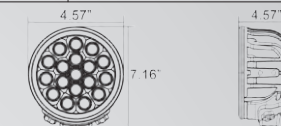

BEAM PATTERNS
10°, 40°

RAW LUMENS
9,504 lm (ea)

WATTAGE
90W

WARRANTY
Extended

MEASUREMENTS
6.71" x 7.19" x 4.57"
171mm x 182.5mm x 116mm
6.17 lb / 2.8 kg

ITEM #	PART #	COLOR	BEAM
CTL-TPX1810	9111018	Black	10°
CTL-TPX1840	9111193	Black	40°

*Additional Technical Data

TRANSPORTER 12

ITEM #: CTL-TPX1210 Shown
PART #: 9110561

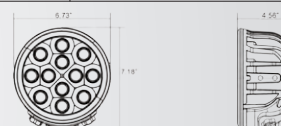

BEAM PATTERNS
10°, 40°

RAW LUMENS
6,336 lm (ea)

WATTAGE
60W

WARRANTY
Extended

MEASUREMENTS
6.71" x 7.19" x 4.57"
171mm x 182.5mm x 116mm
5.95 lb / 2.7 kg

ITEM #	PART #	COLOR	BEAM
CTL-TPX1210	9110561	Black	10°
CTL-TPX1240	9110745	Black	40°

*Additional Technical Data

TRANSPORTER 9

ITEM #: CTL-TPX910 Shown
PART #: 9110110

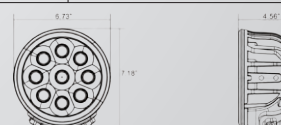

BEAM PATTERNS
10°, 40°

RAW LUMENS
4,752 lm (ea)

WATTAGE
45W

WARRANTY
Extended
