

NGS PC™

(((ON-DEMAND)))

DEDICATED FORD OF LEVEL
OVER
30
YEARS
DIAGNOSTIC EXPERIENCE

TURN YOUR WINDOWS® BASED
COMPUTER INTO A POWERFUL
FORD, LINCOLN, MERCURY
DIAGNOSTIC SCAN TOOL!

**30 DAY
TRIAL
OFFER**

- One time hardware purchase*
- Comes with Free 30 day v9.0 (1996-2013MY) Software Subscription
- 3 subscription options to chose from
- Purchase subscriptions using billable diagnostic fees on an as needed basis

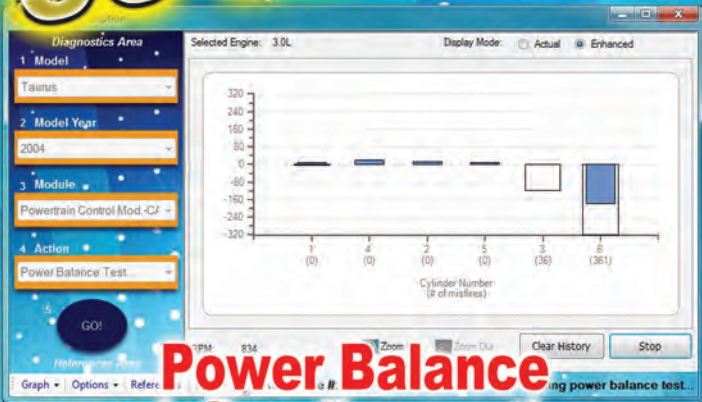

Why pay the high cost for the OE scan tool and required annual updates. The new generation of computer based OE level diagnostics has arrived. Subscription based software that can be purchased using billable diagnostic time means you can effectively increase your diagnostic capabilities and immediately start adding to your bottom line.

Works with Windows® XP, Windows® 2000, Windows Vista®, Windows® 7 and Windows® 8 based computers. Internet Explorer® 6.0 or later required. All transactions processed securely through PayPal!™
