

# ATV SYNTHETIC ROPE EXTENSION 50' PN 69069

Your safety, and the safety of others, is very important. To help you make informed decisions about safety, we have provided installation and operating instructions and other information on labels and in this guide. This information alerts you to potential hazards that could hurt you or others. It is not possible to warn you about all potential hazards associated with this product, you must use your own good judgment.

**CARELESS INSTALLATION AND OPERATION CAN RESULT IN SERIOUS INJURY OR EQUIPMENT DAMAGE. READ AND UNDERSTAND ALL SAFETY PRECAUTIONS AND OPERATING INSTRUCTIONS BEFORE INSTALLING AND OPERATING THIS PRODUCT.**

This guide identifies potential hazards and has important safety messages that help you and others avoid personal injury or death. **WARNING** and **CAUTION** are signal words that identify the level of hazard. These signal words mean:

**WARNING** signals a hazard that *could* cause serious injury or death, if you do not follow recommendations.

**CAUTION** signals a hazard that *may* cause minor to moderate injury, if you do not follow recommendations.

This guide uses **NOTICE** to call attention to important mechanical information, and **Note**: to emphasize general information worthy of special attention

## GENERAL SAFETY PRECAUTIONS:

 <b>WARNING!</b>	<b>CAUTION!</b>
<b>Moving Parts Entanglement Hazard</b>	<b>Moving Parts Entanglement Hazard</b>
<small>Failure to observe these instructions could lead to severe injury or death</small>	<small>Failure to observe these instructions could lead to minor injury or property damage</small>
