

Protecting Your Adventure Lifestyle

BREEZER TOP

INSTALLATION INSTRUCTIONS

WAR 1130 / RJR CG561B

Suzuki Samurai

NOTE: Installation of this top requires a Factory windshield retaining channel, if you do not have one it can be purchased at your local Suzuki Dealer.

1. Insert folded webbing strip into the slot in your retaining channel.
2. Wrap the rear corners – left & right side and cinch until you have proper tension on the Breezer Top front to back.
3. Wrap the side straps and pull until you have proper tension
4. Wrap the rear straps and pull until you have proper tension

Your Breezer Top is now fully installed.

Enjoy your new Breezer Top!
