

**INSTALLATION INSTRUCTIONS**

**#800026 – FRONT COIL SPRING SET – JEEP XJ**

**Fits Vehicle: 1984 – 2001 Jeep XJ Cherokee**

- Warrior Products offers traditional leaf spring suspension systems for Jeep Cherokee.
- Complete system comes with four H60.5mm shocks featuring a nine-stage valve system and self-lubricating polished chrome piston. They are built to stringent standards for strength, performance and durability.
- In addition to the shocks, durable leaf springs help provide a great ride.
- Economy system comes with 2" Lift Shackles and 2" Coil Spring Spacers.
- Bushings are made of Hi-Impact Polyurethane.
- All kits come with the necessary mounting hardware for a complete installation. Individual components also available.
