¹ This mounting kit will be available starting July, 2017. Until then, the 2102-0-01 can be substituted. See Product Update Bulletin 16-0008.

² If the Sprinter van has factory installed roof mounting rails, this kit is not necessary.

³ Order a 70521 handle kit with each 2295-0-01 dropidown used.

⁴ As there are many different styles of trailers, check for adequate rack clearances.

⁵ Not recommended for 159" wheelbase or 159" extended wheelbase Promaster vans.
