

Weather Guard Bulkhead Compliance Certification

Based on vehicle data provided by **General Motors Corporation, Body Builder Service**, WernerCo engineering has determined that the following Weather Guard van bulkhead models manufactured for the following cargo vans sold by General Motors Corporation, **Chevrolet Express, GMC Savana, and Chevrolet City Express** are in compliance with the following Federal Motor Vehicle Safety Standards. **FMVSS 214 (Side Impact Protection) and FMVSS 226 (Ejection Mitigation):**

Model 96101-3-01 Bulkhead, Universal Full-size van, window

Model 96102-3-01 Bulkhead, Universal Full-size van, screen

Model 96114-3-01 Bulkhead, Chevy City Express, mesh

Model 96514-3-01 Bulkhead, Chevy City Express, window

When properly installed in **Chevrolet Express, GMC Savana, and Chevrolet City Express cargo vans**, the Weather Guard van bulkheads will not interfere with the deployment of side curtain airbags.

This certification applies to **Chevrolet Express, GMC Savana, and Chevrolet City Express cargo vans** only and does not apply to builder prep packages based off the wagon or passenger models.
