

Weather Guard Bulkhead Compliance Certification

Based on vehicle data provided by **Ford Motor Company**, WernerCo engineering has determined that the following Weather Guard van bulkhead models manufactured for Ford Transit Connect vans are in compliance with the following Federal Motor Vehicle Safety Standards. **FMVSS 214 (Side Impact Protection) and FMVSS 226 (Ejection Mitigation):**

Model 96111-3-02 Bulkhead, Transit Connect, Mesh

Model 96511-3-02 Bulkhead, Transit Connect, Window

When properly installed in **Ford Transit Connect** cargo vans, the Weather Guard van bulkheads will not interfere with the deployment of side curtain airbags.

This certification applies to **Ford Transit Connect** cargo vans only and does not apply to builder prep packages based off the wagon models.
