

Weather Guard Bulkhead Compliance Certification

Based on vehicle data provided by **Daimler Corporation, Body Builder Service**, WernerCo engineering has determined that the following Weather Guard van bulkhead models manufactured for the following cargo vans sold by Daimler Corporation, **Sprinter full-size and Sprinter high-roof** are in compliance with the following Federal Motor Vehicle Safety Standards. **FMVSS 214 (Side Impact Protection) and FMVSS 226 (Ejection Mitigation)**:

Model 96121-3-01 Bulkhead, Sprinter Full-size and High-roof van, window

Model 96122-3-01 Bulkhead, Sprinter Full-size and High-roof van, screen

When properly installed in **Sprinter full-size and Sprinter high-roof cargo vans**, the Weather Guard van bulkheads will not interfere with the deployment of side curtain airbags.

This certification applies to **Sprinter full-size and Sprinter high-roof vans** only and does not apply to builder prep packages based off the wagon or passenger models.
