Preparation Before Painting / Installation

- A trial fit is recommended to ensure proper positioning and fit.
- Check fit of parts before painting as we will not accept the return of modified or painted parts.
- Wash and dry your vehicle to remove any debris and/or dirt from the installation area.

Installation Steps

NOTE: Actual application may vary slightly from illustrations.

Open hood.

1

Remove (6) nuts that attach grill to hood. Carefully remove grill and set aside.

2

Installation Steps

NOTE: Actual application may vary slightly from illustrations.

Position hood shield on hood. Align (2) holes in hood shield with the holes located in the underside of hood.

3

Assemble fasteners.

4

Insert fastener and secure using a phillips head screwdriver. Repeat for opposite side fastener.

5

Replace the front grill over the front flange of hood shield and secure with previously removed nuts.

6

Close hood. Adhere bump ons.

7

Care and Cleaning

- Wash only with mild soap & dry with a clean cloth.
