MICROFIBER TECHCARE™ ACCESSORIES

INSTRUCTIONS: Wet it, Wring it - Just moisten the towel with water and it is ready to use, can also be used dry. For best results, wash all new towels once before using.

TO CLEAN TOWEL: Wash with warm soapy water and rinse well. Microfiber is machine washer and dryer safe. We recommend you DO NOT MIX towels used for Waxing & Glass Cleaning when washing/drying, and DO NOT use fabric softener.
