

Installation Guide

Front Lower Control Arm Rear Bush

Z5102
Rev. A

Suits: Toyota Corolla & Prius

(Always refer to the current catalogue for complete application listings)

N.B: This installation guide should be used in conjunction with the workshop manual.

Please note bushing voiding - please press into arm similar to the reference above.

N.B: It is recommended that a licenced workshop or trades person carry out the above procedure and that workshop manual and relevant safety procedures are followed in addition to the above.
