

## C10 TRUCK PROSPINDLE AND DISC BRAKE KITS • 1963-1987

*Wilwood ProSpindle Kits and big brake upgrades provide a sturdy, safe, and reduced weight method of improving handling and brake performance on all 1963-87 model C10 Chevrolet trucks using Original Equipment (OE) style suspension.*

### **ProSpindle and Brake Kit** *Features*

- 2.50" drop improves handling and delivers a custom lowered stance
- Forged aluminum knuckle and bolt-on steering arm
- Dual pattern, modular bearing hub accepts 5 on 4.75" or 5 on 5" wheels
- Direct fit on all 1973-87 models and 1963-72 with updated ball joints
- Designed for use with Original Equipment suspension or custom fabricated direct replacements
- Fortified with radial caliper mounts to handle big brake stopping power
- Brake options with six piston calipers and rotors from 12.19" to 14.00"
- Choices for SRP e-coat drilled and slotted, or GT face slotted only rotors
- Select from gloss black or red powder coat caliper finishes
