MODULE STORAGE

Designed and engineered to fit in basic areas of the Jeep as needed and easily removable

MOLLE

Customizable storage options featured in the designs allow for molle storage of any type of item.

MADE FOR ADVENTURE

Each item is crafted with the intent of usage on your adventure to get you where you need to be.

ROBUST CONSTRUCTION

Robust construction and materials provide a puncture-resistant shell that repels water and prevents damage from UV rays.

Our Message

**At XG Cargo we have
strived to keep this
our core message
from day one.**

**-Make Room for
Adventure**

#makeroomforadventure

Most importantly, we want to inspire the unique adventurous spirit that comes with the freedom of being a Jeep owner. We also want the Jeep community to be able to stand behind the brand as a symbol of that freedom and unique lifestyle.

ADVENTURE

ROBUST
CONSTRUCTION

DESCRIPTION

The Sportsman MOLLE Edition. New shape holding support, six rows of MOLLE for customization. Upgraded buckles and BEARHYDE™ material makes this choice for a first interior upgrade to your Jeep easy.

This rear cargo tool is seriously versatile. Very sexy. Mounted strong enough a monkey could hang from it. Thin and sleek, the perfect compliment for the Jeep who carries the instruments of adventure. Complete with a removable mesh pet window. Patented.

SPECS

- Fits all four-door Jeep Wranglers JK and JL
- Quick and Easy Installation
- Patented attachment points for sturdy mounting
- Removable velco safari strap pet-barrier window
- BEARHYDE™ Heavy-duty water-resistant construction
- Buffet of pockets for tools, outdoor gear and supplies
- Adjustable canteen holders
- Pet-proof metallic hardware
- Secure, rigid side wing-panel design prevents pet access to front of vehicle
- MOLLE customization
- Shape holding backing support
- Patented

FIT

- 58" w x 33.5" h
- Jeep Wrangler JL 4-Door
- Jeep Wrangler JK 4-Door

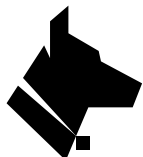

COLORS

BEARHYDE™ SHELL

The Sportsman high-density 600x600 PVC backed polyester skin is waterproof and resistant to mildew, punctures, and UV rays.

PETNET™ WINDOW

Removable high density velcro safari strap pet-barrier window, safe superior protection for pets.

LIGHTNING ATTACH™ NO MODIFICATION MOUNT

Lightning fast, no modification required setup with sleek patented OEM mounting points. Tight, sturdy fit for the most extreme off road conditions.

Customizable & Module Space

This isn't your ordinary cargo tool. The patented wing design and safari PETNET™ add safety for your pet so you can keep your eyes on the road. OEM attachment points make the Sportsman more sturdy than your grand mothers bed time, handling all off-road conditions. Find out more in the features below.

Customizable Storage

- 600d Military Grade PVC Backed Polyester
- Optional Seamless Floor Liner
- Two Adjustable Canteen Pockets
- Secret Back Compartment
- 4 Zippered Compartments
- Pet Proof Metallic Hardware
- MOLLE Storage System

Innovative Sleek Design

Innovative thin design built for a tight fit while leaving the back seat untouched. Winged design and rock solid LIGHTNING ATTACH™ keeps pets safe while keeping cargo out of reach of pets.
