

Terms and Warranty

WARRANTIES

XO Luxury [Wheels](#) are put through rigorous testing to meet the highest standards in quality and performance. Because each wheel is required to meet such high standards, we offer a Lifetime Structural Warranty that reflects the confidence we have in the quality of our products.

In the event of a structural failure caused by a manufacturer defect on a wheel with normal use, our Lifetime Structural Warranty guarantees the replacement of your wheel. Our Lifetime Structural Warranty does not cover finish defects. Defects within the finish are covered under a separate 1 year warranty. If you experience any defects in the finish within the first year of ownership under normal use and the wheels were properly installed and maintained, XO Luxury Wheels will replace your wheels free of charge.

CARE INSTRUCTIONS

Always clean chrome or painted wheels with mild soap and water. Do not use any harsh chemicals, detergents, or polishing compounds that contain abrasive on chrome or painted wheels. Using these types of products can cause permanent damage to your wheels and will void your warranty! Remember to run cool water on wheels before cleaning or let wheels cool off by themselves. Failure to cool wheels before cleaning can cause discoloration.
