

YAKIMA

Trunk Mount Security Strap

Prevent theft of your strap rack

CONTENTS:
SECURITY STRAP (1X)

1 Attach Security Strap to frame.

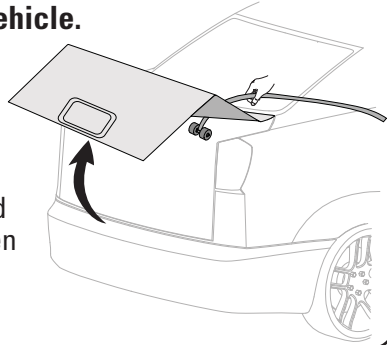

Thread strap end of security strap around rack frame, and insert anchor end of security strap through loop as shown.

2 Anchor Security Strap to vehicle.

Open trunk or hatch.

Insert anchor end of strap through opening between trunk or hatch and the vehicle. Be sure strap is between the hinges of trunk or hatch.

3 Install your rack.

Follow the instructions that came with your rack to install your rack.

READ IMPORTANT WARNINGS AT END OF INSTRUCTION!
