

## **YUKON TRAIL VINYL WARRANTY & CONDITIONS**

### **WARRANTY DURATION:**

Yukon Trail offers a 1-year warranty against defective materials or workmanship on all vinyl tonneau covers and 1-year warranty on all associated rails, aluminum components, clamps, bows and hardware.

### **WARRANTY CONDITIONS:**

1. This warranty is against defective materials or workmanship. The warranty is void if the product has been damaged by accident, unreasonable use, neglect, improper service/installation/removal, modifications, acts of God, normal wear and tear or other causes not arising out of defective materials or workmanship. Consequential and incidental damages are not covered under this warranty.
2. The warranty applies to the original consumer/purchaser and for the truck on which the vinyl tonneau cover was originally installed and shall not apply if the product has been removed from the original vehicle.
3. Warranty registration must be on file and/or proof of original purchase (detailed and dated receipt) required for warranty to be effective. Registration must be filed within 30 days of date of purchase for warranty coverage to be in effect. Warranty coverage starts from the date of purchase.
4. A return authorization number must be obtained from our customer service department prior to returning any product. Shipping charges will apply for any repair or replacement. This warranty gives you specific legal rights and you may also have other legal rights which vary from state to state

### **CONDITIONS THAT ALSO VOID THE WARRANTY:**

1. Wind whip damage: Vinyl cover must be secured at all points when vehicle is in motion. An unsecured tarp will flap, resulting in damage to the fabric.
2. Improper cleaning: Recommended to clean with soap and water only. Do not use vinyl conditioners (i.e. Armor All®) because they will shrink the vinyl.
3. Overloading of cargo: Cargo should not touch the tonneau at any time. Protrusions in the vinyl cover will stress the fabric. Cargo may shift while traveling and cause it to push against the fabric and damage it.

### **PERFORMANCE:**

Provided all warranty conditions are met, Yukon Trail will either repair or replace (at Yukon Trail option) the product or component. Yukon Trail may require the original item to be returned postage prepaid for final determination. Yukon Trail reserves the right to substitute and offer the respective warranty discount on an entire replacement system or provide other remedies than those listed in this warranty for discontinued products or other reasons.
